

UGH! CALOMEL MAKES YOU SICK! CLEAN LIVER AND BOWELS MY WAY.

Just Once! Try "Dodson's Liver Tone" When Bilious, Constipated, Headachy—Don't Lose a Day's Work.

Live up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel, because it makes you sick and you may lose a day's work. Calomel is mercury or quicksilver, which causes necrosis of the bones. Calomel crashes into your bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping.

Listen to me! If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's Liver Tone. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal money-

back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real liver medicine. You'll know it next morning, because you will wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and your bowels regular.

Dodson's Liver Tone is entirely vegetable, therefore harmless and cannot salivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of calomel is almost stopped entirely here.

Teddy Bear Saves Child.
A teddy bear saved Grace Mower, five-year-old daughter of Mr. and Mrs. C. E. Mower, from injury. Mr. Mower is the agent of the St. Paul railway and the family lives on the second floor of the depot building.

The little girl was playing in one of the windows when the screen gave way and she fell to the brick walk. She held the teddy bear tightly in her arms and thus fell on it, preventing death or serious injury.—Cottonwood (S. D.) Dispatch to New York Sun.

The Right Time.
"Your father must have been in a very good humor when he let you get a motor cycle."
"Ah! I seized the cycle-logical moment to ask for it."

Compromise.
Jimmie's mother had promised to give him five cents every day provided he would keep out of mischief.

The other day when the boy came home from school, she opened her purse and asked: "Have you been a good boy today, Jimmie?"

The youngster hesitated a moment and then said: "I'll tell you what, mother. You give me two cents and ask no questions."

INTERNATIONAL SUNDAY SCHOOL LESSON

(By E. O. SELLERS, Acting Director of the Sunday School Course, the Moody Bible Institute, Chicago.)

LESSON FOR NOVEMBER 7

JOASH REPAIRS THE TEMPLE.

LESSON TEXT—II Kings 12:4-15.
GOLDEN TEXT—God loveth a cheerful giver.—II Cor. 9:7.

The time of this lesson was about 878 B. C., and it follows within a few years last Sunday's lesson. Inaugurated as king and instructed by a faithful priest, yet Joash discovered great lethargy on the part of the priestly class with regard to the house of God. He set himself to arouse great liberality and to repair the temple.

I. Lethargy, v. 4, 8. (1) Its cause. We should read in this connection II Chron. 24. From the two accounts and the previous history of the nation we conclude that the condition of the temple was due, (a) to the weak and frequently vicious characters of the rulers of the nation; (b) to the evil companions of both princes and priests and (c) to the cupidity of court and curate. (2) The result of this lethargy regarding God's cause was evidenced (a) upon the temple, and (b) upon the lives of the people of the kingdom. (3) The cure. Joash instituted great reforms in Judah and in these Jehoiada the priest (v. 2) had no small part. In this particular lesson the prince (v. 7) seems to lead the priest. Unfortunately the godly priest did not long survive the crowning of Joash and hence when he came under other influences he soon went back to the evil practices of his predecessors and his reign ended in an eclipse of evil (II Chron. 24:15-26).

In this lesson we have, however, a suggestion of what is needed to cure religious lethargy. (a) A vision of the real condition of affairs (v. 7; also II Chron. 24:7). Joash saw the resultant ruin of the temple after 15 years of misrule; he also saw the misconduct of the priests and did not hesitate to call them to account. "This no easy task to undertake a reformation and restoration such as this; witness Moses, Luther, Wesley and Cary. These priests had aided him to gain his throne and doubtless had had a part in his boyhood training. Joash had inaugurated certain reforms before he began this task which suggests the second need of (b) persistence (see I Chron. 24:5, 6). Such work also demands (c) systematic effort and giving. Joash placed himself among Israel's best kings by undertaking the restoration of the temple and won a place alongside of Hezekiah and Josiah. Modern churches are not, strictly speaking, "a house of the Lord" such as the Jewish temple, yet the condition of many of our churches would indicate great indifference to the cause of the kingdom. Our bodies are indeed a "temple" I Cor. 3:16; 6:19 and both the body and church buildings alike should be kept in proper condition.

II. Liberality, vs. 9-15. The plan to have the priests gather funds for the repairs was Scriptural (Exod. 25:2-8). God does not look upon the measure but upon the motive of our gifts (II Cor. 8:12). The priests did not "hasten the matter" so the king took it into his own hands (v. 9). In this remissness Jehoiada, as the chief priest, is held accountable for all (v. 7).

We have in this story a rich suggestion as to God's plan of Christian giving. (1) The object. It was distinctly for the glory of God and not to outbid others or to wastefully use the money for selfish purposes. (2) All were to participate voluntarily, out of their abundance (II Chron. 24:10), systematically and faithfully. (3) The results were a house repaired (II Chron. 24:12), beautiful (II Chron. 24:13) with the worship restored (II Chron. 24:14). Joash seems to have laid great emphasis upon the "tabernacle of witness" (24:6) and we need to recall that each and every part of that temple was a testimony to the truth of God and had in it a spiritual suggestion and prophecy. As a whole, it suggested that God dwelt in the midst of his people. The sons of Athaliah (Joash's grandmother) had so conducted themselves as to cause it to need repairing (II Chron. 24:7). When we turn to II Chron. 24:14 and read the record of the restoration of the temple, we discover: (1) Each had his part in the work. (2) Each did a "perfect" work, e. g., did his task faithfully, fully and to a finish. (3) Each did an orderly work, "in his state." None sought to supplant or defraud others in the work assigned. (4) Each did a strong work, it was "strengthened" and not a trifling work as men-pleasers or for the moment.

Try more prayer and like Joash, give the people a chance and there will be no lack. Again, note that they dealt "faithfully." We need to exercise faithfulness in our relations to God and in the use of that which he intrusts to our stewardship. Man and God alike will have confidence in us according to the method whereby we receive and expend money. These funds were expended in a businesslike way (v. 11, 12, II Chron. 24:11), and this doubtless added much to the size of the gifts.

"So," said the old general, "you think you would make a good valet for an old wreck like me, do you? I have a glass eye, a wooden leg and a wax arm that need looking after, not to mention false teeth, and so forth."

MINISTER'S WIFE

Tells of Her Long Suffering and How She Found Relief. Husband Joins In Commending Cardui.

Waynesville, N. C.—Mrs. Joseph Fry, wife of the Pastor of Jonathan Circuit, Western North Carolina Conference, M. E. Church South, writes: "About 1899, about fifteen years ago, I had a severe case of Typhoid Fever and a relapse, which left me in a very bad condition, which got worse all the time. Was so nervous, could not stay in the room alone for five minutes, and I was irregular . . . My nervousness was an awful worry to me and my friends, and I couldn't sleep for four or five nights at a time. The doctors would often have to give me something to make me sleep . . . Could do none of my work and had to keep a cook."

I then began taking Cardui and after I had taken half a bottle I felt I was improving and not so very long afterwards I was able to go to church . . . After I had taken four or five bottles, I was able to turn off my cook and do my own work, and I got back my correct mental condition, for I had been so nervous and absent minded, since my illness . . . I was also able to return to school and resume my studies and my piano lessons at Trinity College where I was in attendance."

Rev. Mr. Fry writes: "She cannot praise Cardui too highly. It is well worth what it costs. I will recommend it to any lady in poor health."

Can you doubt the merit of Cardui, in the face of such evidence? Give it a trial. All good druggists sell Cardui.

ANURIC! The Newest Discovery in Chemistry

This is a recent discovery of Doctor Pierce, who is head of the Invalid's Hotel and Surgical Institute at Buffalo, N. Y. Experiments at Dr. Pierce's Hospital for several years proved that there is no other eliminator of uric acid that can be compared to it. For those easily recognized symptoms of inflammation—as backache, scalding urine and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, it is simply wonderful how surely "Anuric" acts. The best of results are always obtained in cases of acute rheumatism in the joints, in gravel and gout, and invariably the pains and stiffness which so frequently and persistently accompany the disease rapidly disappear.

Go to your nearest drug store and simply ask for a 60-cent package of

"Anuric" manufactured by Dr. Pierce, or even write Dr. Pierce for a large trial package (10c). If you suspect kidney or bladder trouble, send him a sample of your water and describe symptoms. Dr. Pierce's chemist will examine it, then Dr. Pierce will report to you without fee or charge.

NOTE.—"Anuric" is thirty-seven times more active than lithia in eliminating uric acid, and is a harmless but reliable chemical compound that may be safely given to children, but should be used only by grown-ups who actually wish to restore their kidneys to perfect health, by conscientiously using one box—or more in extreme cases—as "Anuric" (thanks to Doctor Pierce's achievement) is by far the most perfect kidney and bladder corrector obtainable.
